

## **Mitsubishi Electric US, Inc. Expands Offerings in Texas** *Elevator and Escalator Division starts business in Houston, Austin*

**CYPRESS, Calif., October 4, 2022** – The [Elevator and Escalator Division of Mitsubishi Electric US, Inc.](#), headquartered in Cypress, California, continues to grow and is now serving elevator and escalator customers in Houston and Austin. A vertical transportation supplier with a proven track record in the multifamily, retail, hospitality and commercial sectors, Mitsubishi Electric is a natural fit for Texas, one of America’s [top states for business](#).

With a skilled and growing workforce, low taxes and unrivaled investment in infrastructure, the Lone Star State appeals to a wide range of businesses. Given the favorable business climate, ongoing development and qualified construction projects in Houston, Austin and the surrounding areas, Mitsubishi Electric is excited to bring its high quality and reliable elevators to the marketplace.

“Expansion in Texas reflects our Division’s growth and the opportunities Houston and Austin afford us,” explains Rod Lynch, head of US business development, Mitsubishi Electric US, Inc. Elevator and Escalator Division. “With thousands of companies employing millions of people throughout Texas, Houston and Austin are ideal locations for Mitsubishi Electric US. Our elevators, escalators, new installation, modernization, maintenance, and repair service offerings are an excellent match.”

Mitsubishi Electric boasts a global reputation as the quality leader in vertical transportation, providing smooth, quiet and safe rides. Elevators and escalators from Mitsubishi Electric are known for unmatched durability and reliability due to sophisticated engineering, carefully selected quality materials and strict quality control measures. Technicians service Mitsubishi Electric equipment — including machine-room-less elevators, high-speed elevators, hydraulic elevators, escalators, and the world’s only spiral escalators — as well as equipment manufactured and installed by others. Traction elevators and escalators manufactured and serviced by Mitsubishi Electric have an industry-leading callback rate of less than one per unit per year. Customers in Houston, Austin, and across the United States can expect

knowledgeable technicians, preventative maintenance and minimum downtime from the company's service division.

Mitsubishi Electric US, Inc. Elevator and Escalator Division office locations include Cypress (Calif.), Oakland (Calif.), San Francisco, San Diego, Seattle, Honolulu, Las Vegas, Chicago, Dallas, Nashville, Tampa (Fla.), Boston, Washington, DC, and Miami.
