DISCLAIMER:

These drawings should be used for reference only. None of the information provided herein is intended to be used as the sole source of information for any purpose. The information provided in these drawings is intended for use in conjunction with the manufacturer's instructions for the safe and proper use of the equipment. No liability is accepted for any inaccuracies or omissions in these drawings. The manufacturer's instructions and manuals are to be used in conjunction with these drawings. No warranty is given regarding the accuracy or completeness of these drawings.

Note: If the canopy weight is changed from the dimension on the drawings, the specifications of the car and the rail stack plan for the other rails shall be changed as well. If Zone A/S - 2004 applies, add & T5 to OVERHEAD and TOP LOAD.
