The tournament hosted over 160 Mitsubishi Electric US business partners and local community members at the Seacliff Country Club in Huntington Beach, California, and raised a total of \$20,000 through sponsorship opportunities, player registrations, and a silent auction.

“We are incredibly pleased with the success of this tournament, the first of what will hopefully become an annual event,” said Jarrad Jones, Southern California branch manager for the Elevator & Escalator Division. “We are grateful to all who participated, whether as players or sponsors, for camaraderie, auction item donations, financial contributions, and more.”

WWP is a nonprofit organization whose mission is to honor and empower wounded warriors. Support for WWP helps give warriors, along with their family members and caregivers, free, lifelong access to programs and services that meet their unique mental, physical, and economic needs. Mitsubishi Electric is a proud supporter of Wounded Warrior Project.
